

AT BLACKTHORNE ESTATES

Bedrock Patio Homes

We build the “upgrades” into every home.

Looking for a home that offers simple living without sacrificing luxury and charm? Our patio homes come standard with all the “upgraded” features below. We don’t want our customer’s to settle, so we strive to exceed our buyers expectations.

- 90% brick and/or stone exterior covering the home in a craftsman style
- 9’ Ceilings on main floor for a bigger and brighter space
- Wide trim package for whole home includes 6” base and 4” casing
- Premium Coplay insulated garage doors and Genie garage door opener with battery back-up
- Extra large concrete driveway that fits up to six vehicles
- All our homes come with a 19’ x 12’ covered porch and views fabulous views of golf holes
- High-end and durable flooring flow throughout the entire home
- Luxurious granite counter tops in kitchen, master bath, and laundry (15 types to choose from!)
- Premium GE kitchen appliances package includes convection microwave, wall oven, gas range with stainless hood, and French door refrigerator with double drawer freezer
- Our Allen + Roth upgraded cabinets include the soft-closing function, custom storage and organization, and the color and design of your choice
- Main-level suite with walk-in closet, extended double vanity, & linen tower to optimize your getting ready space
- Enjoy your spa-like master bath which includes an oversized, custom tile shower with glass door & enlarged soap niche for maximum bath storage
- Master Bedroom includes a stunning Tray Ceiling surrounded by crown moulding
- Beautiful ceramic tile on master bath floor
- Comfort height toilets in all bathrooms
- Sherwin Williams Pro Paint in neutral colors to match every decorating style
- Recessed light package and you choose where to place your lights
- 13 SEER energy efficient air conditioning unit & 90% efficient gas furnace by Armana
- Zone temperature control in basement versions with two HVAC systems built in
- *AND SO MUCH MORE!!!*
